How many products are you nominating for the awards program today?

The form is able to accept up to five (5) nominations in one submission. If you have more than five products to nominate, you may submit the form multiple times to nominate additional products. There is a \$495.00 fee per nomination; payment information will be requested at the end of this form.

- ☐ 1 – \$495.00
- ☐ 2 – \$990.00
- ☐ 3 – \$1,485.00
- ☐ 4 – \$1,980.00
- ☐ 5 – \$2,475.00

Page 2: Nomination information

Note: This page will repopulate according to the number of products you are nominating.

Product name

As it should appear on the listing and on an engraving, should the product win an award.

Manufacturer name

As it should appear on the listing and on an engraving, should the product win an award.

Release date

Provide the date on which the product was first made available for purchase in the North American market.

Product description

In 75 to 100 words, describe the product's features, functionality, applications, etc. If this is a new version of a previously available product, include details about a major modification or redesign of the product. New versions of software must offer new capabilities and significant enhancements. Do not include costs/pricing information.

Product URLs

Include the URLs to the manufacturer's website and to the product's page on the manufacturer's website, as well as the URL to the product's listing in the New Products for Engineers database, if applicable. [Search the NP4E database here.](#)

Manufacturer's website: _____

New Products for Engineers listing: _____

Award program category

Select one category to nominate this product for the awards program.

☐ Actuators, Motors, Drives

☐ Asset Management

☐ Automated Processes

☐ Building & Construction

☐ Control Systems

☐ Electrical & Lighting

☐ HVAC

☐ I/O & Networking

☐ Information Management

☐ Mechanical

☐ Plumbing

☐ Power

☐ Safety & Security

☐ Sensors

☐ Services

☐ Software

☐ Test & Measurement

Product image

Provide one high-resolution image of the product – be sure to select the file from your computer and click "Upload." The image should be at least 300 dpi, 4 x 5 inches, and PNG, JPG or TIF file format. This field will only accept one image up to 10 MB in size. Do not submit a company or product logo. If the product is a software, provide a screen shot close-up of a compelling software feature.
