

Privacy Policy

This Privacy Policy sets out the commitment of Research in Finance Ltd ("RiF") to the privacy of its members, and governs members' rights and obligations regarding privacy and data protection. By participating in our surveys, you are accepting and consenting to the practices described in this Privacy Policy.

OUR COMMITMENT TO YOUR PRIVACY

RiF will respect your privacy at all times and the confidentiality of your answers will be maintained as described in this Policy.

Your name, address, email address, mobile phone number and landline telephone number, personal information and individual responses will only be used as described in this Privacy Policy.

Market research carried out by RiF is designed to gain a more detailed understanding of your needs, not a guise to sell you anything or ask for money.

RiF will respect your decision regarding participation in surveys and answering specific questions.

RiF will maintain high standards of professional conduct in the collection and reporting of the information you provide and fully abides by the Market Research Society – full details of which can be found at: <http://www.mrs.org.uk>

DATA PROTECTION

By completing this survey, you consent to RiF holding, storing, processing and using the information you submit for market research purposes.

RiF will only pass information you have provided to third parties in an aggregate, anonymous form, which will not contain any information which personally identifies you.

DATA SECURITY & STORAGE

To ensure that your information remains private, RiF uses a firewall security system. This means that only authenticated users can input information into the database and only RiF market researchers can read it.

TERMINATION OF MEMBERSHIP

You may request that your personal information be removed from our database storage facility at any time.

RiF will process all requests to terminate membership promptly. However there will be a one month gap between your request and the termination of your membership, meaning that you may receive further emails for a limited period after making your request.

CONTACT

If you have any questions or concerns relating to privacy, you can contact RiF by emailing adelegray@researchinfinance.co.uk or writing to Research in Finance, 80 Coleman Street, London EC2R 5BJ, United Kingdom.

JURISDICTION

This Privacy Policy constitutes the entire agreement between you and RiF regarding privacy and data protection.

This Privacy Policy shall be governed by and construed in accordance with English law.

The parties irrevocably agree to submit to the exclusive jurisdiction of the English Courts in relation to any claim or matter arising under or in connection with this Privacy Policy.
