

# Renown- Internet Point of Care

## Internet Point of Care

---

1. Name (as it appears on your medical license)\*

2. Phone  
number

3. Email address \*

(untitled)

---

4. What is the clinical topic/question that you have researched? \*

5. This question is related to: \*

- ☐ A rare condition
- ☐ A condition not managed recently
- ☐ A diagnostic dilemma
- ☐ A need for new clinical information
- ☐ A controversial clinical issue
- ☐ other

6. If you chose other, please explain

7. How would you define your findings? \*

- ☐ Found clinical information that answered my question
- ☐ Found clinical information that was related, but it didn't answer my question
- ☐ Did not find any clinical information that addressed my question
- ☐ other

8. If you chose other, please explain

9. Please specify the citations from peer reviewed materials by typing in 1-3 citations of the most relevant articles. Please "copy and paste" or type in name of article/source. \*

10. Resources used \*

- ☐ ClinicalKey
- ☐ Cochrane Library
- ☐ Embase
- ☐ PubMed
- ☐ VisualDX

11. Describe the application of your findings to your practice. If not applicable, enter N/A.

Reinforced my clinical decision to: \*

12. Describe the application of your findings to your diagnosis. If not applicable, enter N/A.

Confirmed a diagnosis of: \*

13. Describe the application of your findings to your practice. If not applicable, enter N/A.

Reviewed the condition of: \*

14. Describe the application of your findings to your practice. If not applicable, enter N/A.

Applied new clinical guidelines to management of: \*

15. Describe the application of your findings to your practice. If not applicable, enter N/A.

Changed course management: \*

16. Describe the application of your findings to your practice

☐ Unable to find clinical information that addressed my question

☐ other

17. If the course of management and/or diagnosis was changed, how was it changed? (check all that apply)

- ☐ Choice of treatment/management
- ☐ Changes in pharmaceutical therapy
- ☐ Monitoring of therapy
- ☐ Referral for a consultation
- ☐ Changes in diagnostic tests
- ☐ Recommendations for preventative care
- ☐ Change in differential diagnosis
- ☐ other

18. Define the difficulties in finding relevant information (check all that apply)

- ☐ Did not have difficulty finding relevant information
- ☐ Not enough full text journals available
- ☐ Difficulties in searching
- ☐ Insufficient database clinical information coverage
- ☐ Access difficulties
- ☐ Other

19. Rate the overall effectiveness of this activity

- ☐ Excellent
- ☐ Good
- ☐ Average
- ☐ Fair
- ☐ Poor

20. The activity met my objectives

- ☐ Yes
- ☐ No

21. My search resulted in

- ☐ Knowledge
- ☐ Competence
- ☐ Performance
- ☐ Improved patient care
- ☐ other

22. I wish to make the following comments
