**Technician Information**

---

12. Is the candidate an ASE Master certified technician?

13. List below the candidate's ASE certifications and ASE ID.

14. What trade school did the candidate attend? At what age did they start trade school?

15. How many years has the candidate been working professionally post-trade school?

16. Please provide a brief bio for the candidate below.

17. Please list below the candidate's number of training hours for each of the last five years (starting with Year 1 as last year).

Year 1

Year 2

Year 3

Year 4

Year 5

18. Please describe the specific training the candidate participated in over the last 3 years.

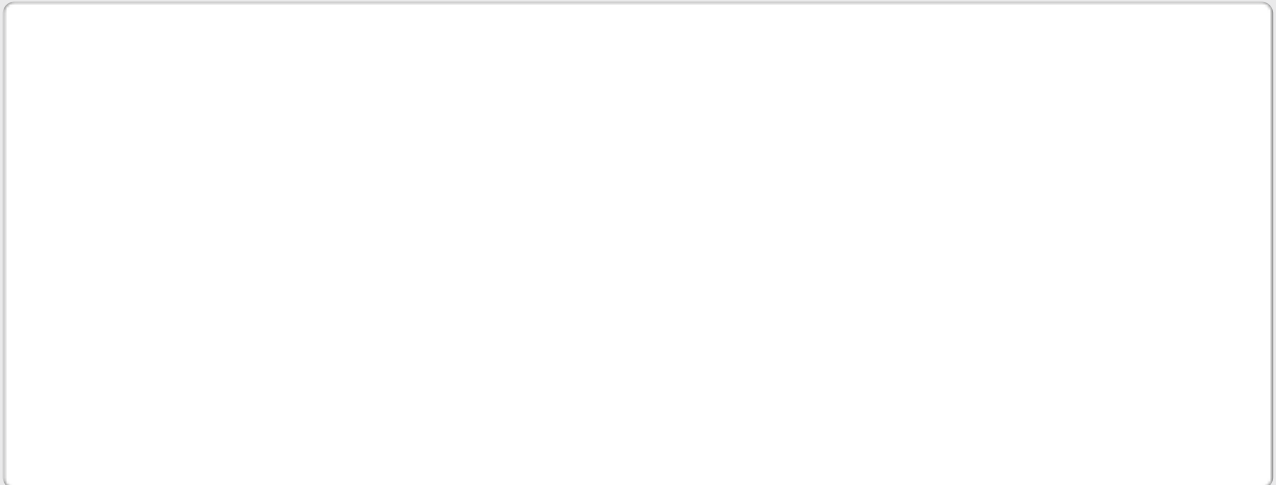

19. When the candidate is struggling to diagnose an issue, what steps do they take to make a proper diagnosis?

20. How does the candidate encourage their coworkers?

21. Tell us about how the candidate helps develop coworkers or other technicians in our industry. Please provide specific examples or stories.

22. Tell us about how this candidate directly cares for the people who drive the vehicles being repaired and not just turning the nuts and bolts.

23. Please share below the reasons you think this candidate should be considered for "AAPEX Technician of the Year"

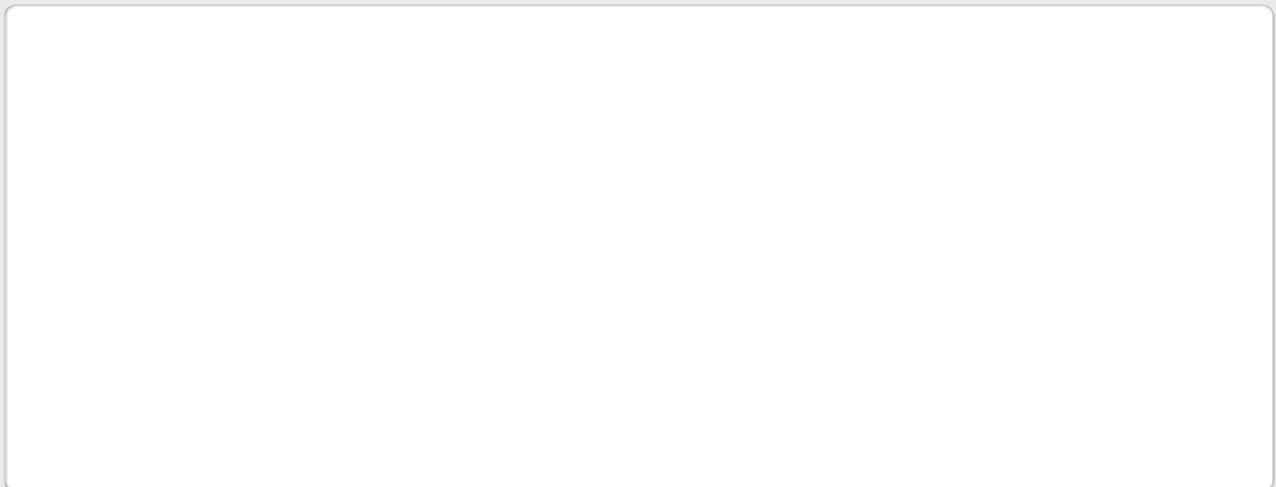

### **Candidate Questions**

---

Below are questions to ask the candidate. *Please Note:* This part can be complete by the Nominator, Supervisor, the Candidate or a combination of all.

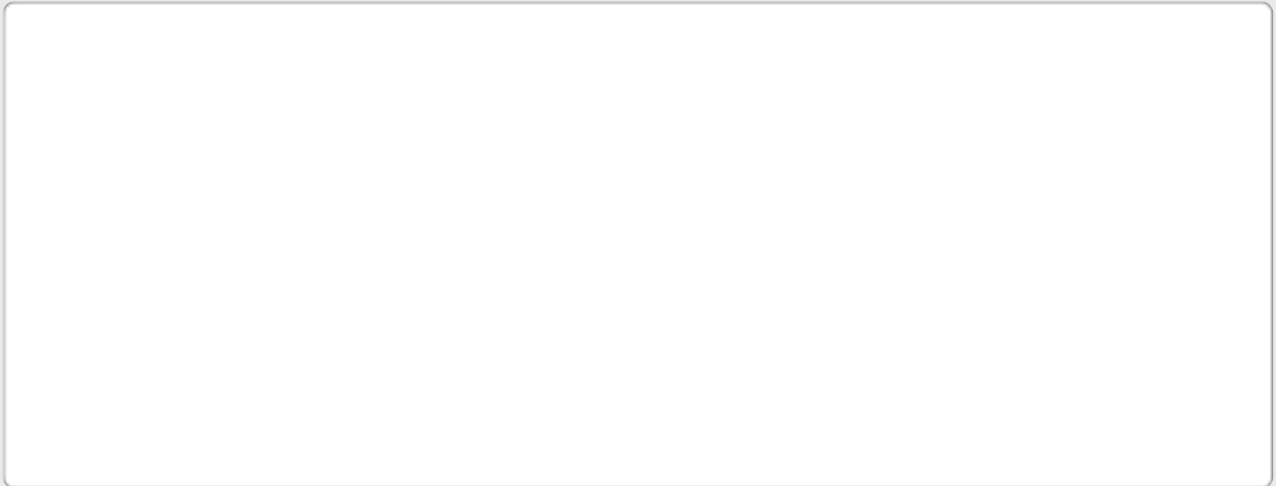

24. Why did you choose automotive repair as a career?

25. Tell us your approach to developing an inexperienced technician to a high-quality, high output technician.

26. Walk us through what you do when you are stumped on a diagnosis.

27. Is it hard to be a service advisor: How do you help service advisors to be great at their job?

A large, empty rectangular box with a thin black border, intended for the user to write their response to the question above. The box is currently blank.
