## Job

Code	Category/Job Title	Job Description
<b>Executive Positions</b>		
005	Executive Director/ Chief Executive Officer	Responsible to the Board of Directors for management of the entire nonprofit organization including fundraising/development, human resources, strategic planning, programs, finance, communications. Represents organization to government agencies, community and the public.
010	Associate Director/ Chief Operating Officer	Provides direction and day-to-day management of several key functions other than programs such as finance, administration, human resources, and/or development; assumes responsibility for major projects; assumes responsibility for organization in absence of Executive Director. Participates as a member of the senior management team to formulate and implement policies and plans to meet the organization's short- and long-term objectives.
015	Chief Programs Officer	Directs delivery of programs in accordance with the organization's goals and objectives. May write or participate in writing of grant applications, depending on structure of organization. Ensures program activities comply with contracts. Supervises program staff either directly or through intermediary supervisors. Acts as liaison with government agencies, the community and the public relative to funding, contracts and delivery of services. Participates as a member of the senior management team in the development and implementation of organization-wide policies and programs that will contribute to its overall success. This is a single-incumbent position. Report others in the Program Management section or other sections below (e.g. jobs 805, 810, 853, 856, 421, 430, 431).
020	Chief Communications Officer	The organization's top communications employee. This position is found only in relatively large organizations that have a communications executive on the senior management team. Has overall responsibility for all aspects of the organization's communications functions. Supervises communications staff, some of whom supervise lower-level department employees. Advises other top executives and the organization's board of directors on communications-related issues.
025	Chief Development Officer	The organization's top development employee. This position is found only in relatively large organizations that have a development executive on the senior management team. Has overall responsibility for all aspects of the organization's development functions. Supervises development staff, some of whom supervise lower-level department employees. Advises other top executives and the organization's board of directors on development-related issues.
030	Chief Human Resources Officer	The organization's top human resources employee. This position is found only in relatively large organizations that have a human resources executive on the senior management team. Has overall responsibility for all aspects of the organization's human resources functions. Supervises human resources staff, some of whom supervise lower-level department employees. Advises other top executives and the organization's board of directors on human resources-related issues.
035	Chief Information Officer	The organization's top information technology employee. This position is found only in relatively large organizations that have an IT executive on the senior management team. Has overall responsibility for all aspects of the organization's IT functions. Supervises IT staff, some of whom supervise lower-level department employees. Advises other top executives and the organization's board of directors on IT-related issues.
040	Chief Strategy Officer	The organization's top executive with responsibility for developing and implementing the organization's strategic initiatives. This position is found only in relatively large organizations with an executive in this area on the senior management team. Has overall responsibility for all aspects of the organization's strategic planning. Supervises employees who carry out organization's strategic plans. Advises other top executives and the organization's board of directors on issues related to strategy development and execution.
105	Chief Financial Officer	Manages the financial resources of the organization including accounting, finance, organization-wide budgets, investments, and treasury in accordance with generally accepted accounting principles and organization/contract policies and procedures; safeguards assets through the maintenance of proper controls. Participates as a member of the senior management team in the development and implementation of organization-wide policies and programs that will contribute to its overall success.

**Administrative Positions**

055	Director, Administration/ Operations	Directs a group of functions for the organization including any or all of the following: human resources, information technology, office services, facilities and grounds, transportation, food service, and purchasing. Manages department budgets. Participates as a member of the senior management team in the development and implementation of organization-wide policies and programs that will contribute to its overall success. Jobs that include management of the organization's financial department are reported in job #106 (Director of Finance & Administration).
060	Regional Manager/ Center Manager	Manages the day-to-day operations of a regional facility that delivers program services in accordance with organization goals and objectives. Functions include: program development and implementation, staffing, volunteer coordination, community relations, budgeting, record keeping and facility maintenance. May participate in or lead fundraising activities for the region.
065	Office Manager	Provides direct supervision of the organization's office services including mail pick up and distribution; records maintenance; copy/print services; reception; office maintenance and cleaning services; communications/telephones; and similar.
070	Executive Assistant	Provides a wide variety of skilled administrative and clerical support for chief executive, directors or other senior management staff. Responsibilities involve exposure to sensitive information and require considerable use of tact, diplomacy, discretion and judgment. Assumes responsibility for special projects; attends board or similar meetings to take, transcribe and distribute minutes; prepares board packets; maintains databases; researches/analyzes data and develops reports for management decision-making; may follow up on projects assigned to managers by senior executive.
075	Administrative Assistant, Senior Level	Provides a variety of administrative and clerical support to managers and/or other staff. Duties may include researching/compiling information; coordinating activities between departments and/or outside services. Maintains data; generates and formats reports and other documents using a full range of computer software skills including spreadsheets, word processing, desktop publishing, database management, presentation software, etc. May assume responsibility for special projects relating to department functions.
080	Administrative Assistant, Intermediate Level	Performs clerical duties including answering telephones, screening calls, taking messages and acting as receptionist; sets up and maintains files of information; uses computer skills to enter and maintain data; prepares correspondence and develops other routine documents; may make appointments and travel arrangements, coordinates activities relative to department functions.
085	Administrative Assistant, Junior Level	Performs routine clerical duties such as answering telephone, taking and delivering messages, setting up and maintaining files, sorting/delivering mail, entering data into the computer, preparing routine correspondence.
090	Receptionist	Receives and greets visitors, determines nature of their visit and notifies appropriate staff members; answers and transfers telephone calls using multiple-line equipment; represents organization to callers and visitors in a friendly, professional manner; may issue security badges; maintains logs; calls for communications and other equipment service; may perform routine clerical duties such as filing, word processing, sorting and distributing the mail. See Receptionist, Medical (job #752) in Medical & Clinic Services section for those responsible for scheduling patient appointments, facilitating patient flow, and referring patients to other resources.
093	Business Development Manager	Responsible for researching and identifying new business opportunities for the organization in support of its mission and goals. Identifies potential projects, analyzes and reports on feasibility, prepares proposals, researches funding sources. Cultivates relationships with potential stakeholders to further organization's growth and impact.
094	Contracts Administrator	Oversees organization's contractual agreements related to delivery of program services. Is responsible for maintaining documentation in compliance with the specific requirements of each contract. Monitors contract budgets, expiration dates, reporting dates and documentation. Communicates with organization's program directors/managers and representatives of funding agencies.
095	Quality Assurance Manager	Designs and implements quality-control program to ensure that organization's programs and services meet its standards. Works with Program Managers to develop quality assurance policies, collecting data for analysis by program, department and organization-wide. Produces reports showing outcome achievement and customer/client satisfaction. Trains staff on related policies and procedures.
096	Quality Assurance Specialist	Performs a variety of quality assurance assessments of organization's programs and services to ensure that standards and regulations are met. Records and analyzes data. Documents results to indicate degree that standards are met. Recommends modifications to existing standards, or suggests new standards, methods and procedures. Typically reports to Quality Assurance Manager or equivalent.

**Accounting/Finance Positions**

106	Director of Finance & Administration	Responsible for the organization's financial operations as well as other administrative functions such as human resources, operations, facilities and information technology. Develops and maintains effective administrative systems. Oversees accounting operations including bookkeeping, financial statements and reporting. Supervises staff in accounting/finance as well as any additional functional areas. This job is most often found at organizations that do not have an executive-level CFO. Jobs that oversee multiple functions but not including management of the organization's financial department are reported in job #055 (Director, Administration/Operations).
110	Controller	Manages the accounting operations of the organization including budgeting, auditing, payroll, accounts payable and receivable, general ledger and financial reporting in accordance with generally accepted accounting principles and internal policies and procedures. Oversees development and implementation of financial systems. May interpret accounting reports to management and board. Assumes responsibility for the financial function in the absence of the Chief Financial Officer.
115	Accounting Manager	Manages and performs various accounting activities including developing, implementing and maintaining the accounting systems, policies and procedures; compiling, analyzing and reporting accounting data for management reports and decision-making purposes; may act as primary liaison with outside auditors and government agencies on contract issues. Manages monthly closings. Typically supervises more than three staff members.
120	Accounting Supervisor	Provides day-to-day supervision to one or more general accounting functions such as accounts payable, accounts receivable or payroll. Ensures accuracy and compliance with accounting policies and procedures. Researches and resolves related problems. Typically supervises from one to five hourly accounting staff.
124	Senior Accountant	Working under only general supervision, performs relatively complex accounting duties including maintenance and analysis of accounting records, preparation of accounting schedules, reports and financial statements; prepares journal entries and reconciles ledger accounts; ensures compliance with generally accepted accounting principles and organization's policies, procedures and contracts. May prepare federal, state and local tax returns. Does not supervise but may advise less experienced accounting staff.
125	Staff Accountant	Performs various professional accounting duties including maintenance and analysis of accounting records, preparation of accounting schedules, reports and financial statements; prepares journal entries and reconciles ledger accounts; ensures compliance with generally accepted accounting principles and organization's policies, procedures and contracts. May prepare federal, state and local tax returns.
126	Payroll Specialist	Performs various clerical payroll and accounting tasks such as processing semi-monthly payrolls, entering payroll data into the system database, verifying accuracy of figures and computations, and balancing and reconciling accounts.
130	Accounting Clerk	Processes/posts a variety of accounting transactions such as invoices, payments, and expenses in accordance with department procedures. Maintains accounting files. Checks and verifies accounting data; enters data into computerized accounting system and uses system to research questions and generate reports. Performs related general clerical duties.
135	Cashier	Receives and accounts for cash, credit card and check payments received for sales of goods, services or similar. Makes change. Counts and balances receipts as scheduled, ensuring accuracy. May assist in providing information to customers or clients.

**Animal Care/Control Positions**

780	Veterinarian	Responsible for providing diagnostic and therapeutic veterinary medical services and surgery. Assists in training and supervising organization staff regarding diagnostic, therapeutic, surgical and animal handling procedures. Licensed veterinarian certification required.
781	Director of Animal Services	Responsible for a complex animal services operation, including shelter and clinic services, animal-related law enforcement and advocacy and emergency preparedness. Is a member of the organization's management team. Provides strategic oversight of programs and services, directly supervises key employees who in turn supervise departments and/or programs. Represents the organization in dealings with government agencies, community organizations and the public.
782	Veterinary Clinic Manager	Responsible for overall management and daily preparation of clinic, including staffing, operations, budgeting, funding, developing reports and policies, and community outreach.
784	Humane Officer	Performs duties involving the protection of animals and enforcement of animal-related codes. Completes reports and maintains documents in accordance with state and local laws. Responds to complaints regarding mistreatment of animals. Educates the public about humane treatment of animals.
785	Senior Registered Veterinary Technician	This position refers to a senior-level professionally licensed employee responsible for handling and treating animals that may be injured, wild or vicious. Assists veterinary staff in examining, handling and treating animals. Assists veterinarians in administering anesthesia and preparing animals for surgery. Maintains veterinarian patient records and supply inventories. Administers first aid treatments and medications to domestic animals as directed by veterinary staff. The senior-level RVT also performs procedures requiring a high level of skill independently.
786	Registered Veterinary Technician	This position refers to professionally licensed employees responsible for handling and treating animals that may be injured, wild or vicious. Assists veterinary staff in examining, handling and treating animals. Assists veterinarians in administering anesthesia and preparing animals for surgery. Maintains veterinarian patient records and supply inventories. Administers first aid treatments and medications to domestic animals as directed by veterinary staff. Employees who are not professionally licensed employees but do similar work are classified under job #788, Veterinary Technician.
788	Veterinary Technician	Responsible for handling animals which may be injured, wild or vicious. Assists veterinary staff in examining, handling and treating animals. Assists veterinarians in administering anesthesia and preparing animals for surgery. Maintains veterinarian patient records and supply inventories. Administers first aid treatments and medications to domestic animals as directed by veterinary staff.
789	Animal Care Manager	Responsible for the organization's animal care programs and services. Hires and supervises animal care staff. Oversees the humane handling, housing and socialization of all animals by staff and volunteers. Ensures that all animals receive proper daily care, feeding and medicating; that medical or behavioral conditions are referred for treatment; that documentation of animal care procedures are maintained; and that supplies, food and equipment are tracked and stocked as needed.
790	Animal Care Worker	Responsible for handling, caring and feeding all animal patients. Identifies problems to be brought to the attention of the veterinary staff. Records daily patient information. Takes animals for walks or provides exercise regimen. Bathes and clips animals. Keeps animal care facilities clean and sanitary.
791	Animal Adoption Counselor	Counsels, educates and screens potential adopters of animals. Assists prospective adopters with the selection of a pet best suited to their circumstances, placing pets into loving, permanent homes that are mutually compatible for the pet and adoptive family.
792	Animal Adoption Manager	Responsible for the organization's animal adoptions programs and services. Hires and supervises animal adoption staff. Ensures that intake and adoption goals are met through adequate staffing, effective training and excellent customer service. Partners with other organizations such as veterinary hospitals, shelters and rescue organizations. Develops creative marketing campaigns to promote adoption programs that successfully match adopters with animals. Works with outreach staff on community events including mobile adoption opportunities. Participates in the development of department budgets. Compiles and reports adoption-related data.
793	Animal Intake Manager	Manages the intake function of an animal shelter. Manages relationships, schedules and coordinates appointments with rescue partners and transporters. Gathers background information about each animal and assesses animal suitability for the shelter's program. Introduces new animals into the shelter's existing population. Participates in development of organization's policies to further effectiveness of animal care, intake and adoption programs.
795	Animal Shelter Manager	Responsible for overall management and daily preparation of shelter, including staffing, operations, budgeting, funding, developing reports and policies, and community outreach.

**Animal Care/Control Positions**

797	Animal Behaviorist	Assesses and works with animals on behavioral issues within a shelter environment. Performs intake assessment of new animals, evaluates animals for possible behavioral needs, makes recommendations with respect to placement for adoption. Designs behavior programs for individual animals to enhance their adoptability and quality of life. Maintains detailed records and documentation of all behavior assessment information. Works with staff and volunteers to further organization's goals related to positive behavior modification.
799	Humane Educator	Develops curricula and conducts training programs to teach members of the public how to interact with animals in a compassionate and considerate way. Develops and presents educational programs to a wide variety of community groups with audiences of varying ages and backgrounds on such topics as animal welfare, animal rights, and animal behavior; arranges schedules and space; identifies community needs and participates in development of new education programs. Typically, this position requires a degree (or equivalent) in education, animal science or a related field.

**Cultural, Artistic, Performing Arts Positions**

154	Artistic Director	Responsible for setting the artistic direction and programming of a performing arts or cultural organization. Organizations reporting this position will also have a CEO/Executive Director who has overall responsibility for running the organization's administrative functions. Both the Artistic Director and CEO/Executive Director report to the Board of Directors.
155	Curator	Directs, coordinates and may participate in the activities involved in operating a museum, art gallery or zoo. Directs instructional activities, acquisition of new items, special and standing exhibits, safekeeping, research and public service objectives of the organization.
156	Resident Director	Responsible for the creative decisions of a performing arts production. Approves design elements including sets, costumes, lighting, sound, and music.
157	Resident Designer	Responsible for overall design and coordination of one or more creative elements of a performing arts production, such as costumes, lighting, sound, props, or scenery. Works closely with production team to ensure designs are within team's overall ideas and within the production budget. Some examples of Resident Designers are costume designers, lighting designers, scenic designers, and properties directors.
160	Production Manager/ Coordinator	Supervises all technical elements of a performing arts production including sets, props, costumes, lighting, sound system and movement.
162	Stage Manager	Organizes and coordinates rehearsals and performances, ensures props and equipment are available and maintained, disseminates information to other theater departments. Acts as liaison between theater management, box office, director, and technical personnel.
163	Costume Shop Manager	Plans and supervises the operation of a costume shop for a performing arts organization. Supervises purchase, construction, alteration, and storage of costumes. Manages and controls costume budget.
165	Box Office/Sales Manager	Supervises sale of individual, group and subscription tickets by staff and/or volunteers. Maintains accurate and complete database of sales and financial records. Coordinates use of charge card services.
166	Technical Staff	Participates in the construction and fabrication of one or more creative elements of a performing arts production, such as costumes, lighting, sound, props, or scenery. Works with Resident Designer to implement creative decisions. Responsible for equipment and property related to their field. Some examples of technical staff are wardrobe supervisors, cutters, electricians, carpenters, and set crew.
167	Production Assistant	Provides general support and assistance in all aspects of a performing arts production. Tasks may include general office and administrative work, scheduling meetings, working on sets, assisting with crowd control, delivering messages, and running errands.
168	Box Office Assistant	Performs clerical and administrative tasks related to box office operations. Processes ticket orders. Handles phone calls, emails and in-person registration for events and programs. Sends confirmation emails and letters. Maintains documentation and runs reports as needed.
180	Actor	Rehearses and performs in a performing arts production.
181	Instrumental Musician	Rehearses and performs in a performing arts production either as a soloist or as a member of an ensemble.
185	Visitor Services Manager	Manages visitor access and services at a museum, gallery, theater or other cultural venue to ensure that visitors have a positive experience. Arranges group tours and event rentals. Oversees venue's master calendar. Coordinates program needs with organization's education and volunteer departments. Supervises visitor services staff and volunteers. May be involved with organization's retail and membership operations.
186	Visitor Services Specialist	Welcomes visitors to museum, gallery, theater or other cultural venue. Provides information about programs, answering general phone and email questions. May also participate in retail sales of goods and memberships.

**Cultural, Artistic, Performing Arts Positions**

190	Director of Exhibits	Has overall responsibility for development and production of museum exhibits. Supervises exhibit staff and manages museum facility. Collaborates and communicates effectively across organization's departments to support museum projects and financial goals, manages budgets and deadlines for museum projects. Fosters creative partnerships to build strong community relations, participates in resource development efforts.
192	Exhibit Developer	Responsible for conception and creation of museum exhibits. Uses broad knowledge of exhibit fabrication methods and materials; exhibit prototyping and production skills; experience in researching and writing exhibit content, text and narratives; strong organizational and project management skills with ability to oversee production; computer graphic and mechanical design skills; and communication and presentation skills. Generally requires a college degree in science, engineering, industrial design, or architecture and several years of experience in the design and development of museum exhibits.
194	Exhibit Designer	Creates museum exhibits using architectural, scenic, interactive, and graphic components. Requires skill in sketching, drawing, drafting, computer based design and graphics applications; knowledge of exhibit fabrication methods and materials; prototyping; project management/communication skills and the ability to oversee production. Generally requires a degree in design, engineering, industrial design, or architecture and several years of experience in exhibit design.
195	Exhibit Graphic Designer	Responsible for creating the visual look and feel for exhibits and developing a visual and graphic strategy that successfully communicates the exhibit content to the intended audience. Designs environmental and interpretive printed graphics and user interfaces and graphics for screen. Prepares graphics specifications and production files, manages production process with printers and other graphics vendors. Generally requires a degree in design and advanced skills in computer-based graphics applications.
196	Exhibit Fabricator	Responsible for fabrication of exhibits; evaluation, redesign, refurbishment, modification and improvement of existing exhibits; and installation and break-down of traveling exhibitions. May require skills include metal working, machining, woodworking, and plastics techniques; basic drawing, sketching, and CAD skills. Generally requires several years of experience in a professional production workshop.
197	Archivist	Responsible for processing, arranging, and documenting items in a museum collection according to archival processing standards. Updates and maintains procedures and policies; provides reports for use in grant writing and strategic planning. Manages project staff, supervising archival assistants. Participates in public programs and represents the museum in professional organizations.
198	Exhibit Guide/Docent	Actively interacts with museum visitors to enhance their enjoyment and learning experiences, and speaks about museum exhibits to groups of visitors. Understands and demonstrates his/her knowledge of the museum's general themes and exhibits. Assists in the opening/closing procedures of the museum.

**Development Positions**

512	Human Resources Generalist	Under limited supervision by a senior Human Resources staff member, is responsible for several functions in the Human Resources department such as employment, compensation, benefits, training, and employee relations. Advises managers and staff on employment laws, policies and practices. Ensures organization practices are in compliance with laws. Participates in the development and implementation of new policies and practices. This position do not generally have a supervisory role over other department employees.
513	HRIS Manager	Under general supervision, manages the information systems of the organization's human resources department to collect and maintain data internal employment-related data. Responsible for determining needs, communicating with vendors, implementing and maintaining systems, integrating technology into the functions of the HR department, trouble-shooting and training staff to use technology effectively.
514	Benefits Manager	Under general supervision, develops and administers organization's employee benefits program, including health insurance and retirement plans. Assists in developing an overall benefits philosophy for the organization. Researches, designs and evaluates benefits options. Serve as liaison between organization and various benefits vendors. Manages employee enrollment process.
515	Human Resources Representative or Specialist	Under general supervision, performs a wide variety of professional level human resources functions including recruiting, interviewing and hiring staff; administering benefits and/or compensation programs; resolving employee relations issues; counseling staff and advising managers and supervisors; conducting exit interviews; interpreting human resources policies and laws.
516	Recruiter	Works under the general supervision of a Human Resources Director or Manager. Assesses the organization's employment needs, sources & interviews job candidates, checks references, coordinates interviews with hiring managers, makes recommendations, conducts exit interviews, compiles statistics. Requires knowledge of organization's employment practices as well as legal compliance issues.
517	Training & Development Manager	Under general supervision, designs & implements employee orientation, management development, and on-the-job training programs to ensure that employees have the skills and knowledge to meet the organization's goals. Maintains records and helps evaluate impact of these programs.
520	Human Resources Assistant	Performs a variety of skilled administrative and clerical duties directly related to human resources activities. These include maintaining employee databases and files; processing status changes; assisting employees to sign up/apply for benefits; screening resumes/application forms; scheduling interviews for others; checking references; compiling data and preparing routine and special reports; providing information to employees on policies and procedures; participating in employee activities; etc. May provide secretarial support to human resources managers and staff.

## Information Technology Positions

555	Director, Information Technology/Services	Determines organization needs for information management and manages the development and implementation systems and programs to meet those needs in a cost-effective, timely manner. Manages information technology functions including systems applications and development, database administration, financial systems, desktop support, web site development and maintenance, intra- and inter-networks, and internal telecommunications. Advises on purchase of new computer hardware and software. May report to the Executive Director/CEO, the CFO, or in the case of larger organizations, to an executive-level IT employee (see job #035).
560	Information Technology Manager	Provides day-to-day management of information technology functions including computer operations, applications and systems programming and networks. Analyzes the needs of departments and plans, organizes and implements new and/or modified systems to handle those needs; determines costs and budgets for information technology projects and controls costs to approved budgets; identifies training needs among staff and develops/implements training programs to enhance computer skills throughout the organization.
562	Systems Administrator	Responsible for the organization's IT operations with respect to computer operating systems and related software. Recommends, implements and maintains systems. Performs tests, troubleshoots and resolves software and networking problems. Performs and monitors systems backups. Works under limited direction, regularly exercising independent judgment.
563	Software Engineer	Develops, codes, tests, debugs, implements and documents software program applications. Uses technical resources such as utility software, development software, and diagnostic software. Performs engineering duties for projects of moderate complexity. Works under limited director, regularly exercising independent judgment.
565	Database Administrator	Develops and maintains computerized databases including base definition, structure, documentation, operations and security. Sets up master files and ensures accuracy and completeness of all data; participates in exchanges of data (e.g. the "Big List"). Protects integrity of data using proper security controls.
570	Network Technician	Installs, modifies, tests and maintains the organization's data communication network equipment; Responds to network problems, troubleshoots and performs repairs in a timely manner; maintains associated records detailing downtime, changes, updates and related information.
575	Personal Computer Technician	Installs, modifies, and maintains the organization's personal computers and related systems. Installs, upgrades and backs-up software and hardware applications. Troubleshoots software and hardware failures and resolves as appropriate; trains users in resolving routine problems, using new software and providing advice and guidance as needed.
576	Tech Support Specialist	Supports staff in use of organization's technology systems. Responds to helpdesk questions and resolves problems. Develops training materials, performs one-on-one and/or group training. Creates documentation for users. May perform routine software updates.
580	Data Entry Operator	Enters data from source documents into computer databases; verifies information and makes changes where necessary; may run routine reports and perform related clerical duties.
585	Web Site Developer	Develops and maintains web site content that will motivate, inform and intrigue users so that they regularly access the site and use it for information and decision making. Seeks out users to gather feedback for improvement and enhancements. Maintains technical integrity of web site. Maintains and upgrades hardware and software. Communicates router configuration changes, troubleshoots system errors and bugs. Maintains servers, creates monitoring reports and logs. Monitors site for user accessibility. Establishes back-ups and monitors site security.

## Legal Services & Community Organizing Positions

598	Director of Legal Services	Responsible for the development and supervision of the organization's legal services programs. Implements best practices, develops policies and procedures, and oversees evaluation of the services with regular outcomes measurement and analysis. Supervises a team of manager-level attorneys who in turn supervise staff-level attorneys. Coordinates the training needs of all staff ensuring compliance with continuing legal education requirements for attorneys. Establishes and maintains strategic partnerships with other organizations. Represents the organization in the community.
600	Managing Attorney	Leads a team of staff attorneys in support of organization's mission and goals. Responsible for development and execution of organization's litigation efforts. Represents organization to clients/partner organizations and the community. Supervises and trains staff attorneys and organization's other legal staff.
602	Staff Attorney	Responsible for advocacy, research and litigation in support of organization's policy and advocacy goals. May supervise paralegals, legal secretaries, assistants and interns. Requires admission to practice law/membership in the State Bar Association.
605	Attorney, Legal Aid/Advocacy	Provides a wide variety of legal services to clients of an advocacy or legal aid-type of organization. Represents clients in court and other venues as necessary. Requires admission to practice law/membership in the State Bar Association.
610	Attorney, Corporate	Provides legal counsel to organization on assigned projects or cases. Advises on cases involving the organization and may represent it in court. Draws up contracts involving leases, licenses, purchases, sales, real estate, insurance, employment and other issues. Examines legal data to determine advisability of defending or prosecuting lawsuits. Requires admission to practice law/membership in the State Bar Association.
615	Paralegal	Assists attorneys in research activities and preparing routine legal documents. Advises organization on routine legal matters. Prepares documents such as agreements, leases, pleadings related to litigation or non-litigation matters. Incumbent typically has completed paralegal education/training.
620	Legal Secretary/Assistant	Performs all the duties of an Administrative Assistant in a legal environment that requires a working knowledge of legal terminology and formatting of legal documents such as pleadings, court forms, contracts, etc. Requires working knowledge of law library, state and federal regulations, code sections, and related matters.
624	Senior Community Organizer	Organizes, mobilizes and informs organization's target population. May recruit and train volunteers to assist within the realm of the organization's mission statement. Creates campaigns and makes presentations to community, business and media leaders. Works under only general supervision, using a high degree of independent judgement. Represents the organization to the public, government agencies, and the media. May be responsible for project budgets, and may supervise junior community organizing staff.
625	Community Organizer	Organizes, mobilizes and informs organization's target population. May recruit and train volunteers to assist within the realm of the organization's mission statement. Creates campaigns and makes presentations to community, business and media leaders.
630	Campaign Director	Provides overall management and direction to one or more large issue-based campaigns including management of staff, developing/controlling the budget, developing/implementing policies and procedures, participating in obtaining funds/grants, coordinating/integrating program with others in the organization. Typically, this position reports to the Executive Director/Chief Executive Officer or the Chief Programs Officer and directly or indirectly manages a minimum of ten staff. Smaller programs are reported in job #632.
632	Campaign Manager	Provides overall management and supervision to one or two issue-based campaigns including supervision of staff, developing/controlling the budget, developing/implementing policies and procedures, participating in obtaining funds/grants, coordinating/integrating program with others in the organization. Typically, this position directly or indirectly manages fewer than ten staff. Larger programs are reported in job #630.
635	Campaign Coordinator	Assumes responsibility for the implementation of a single issue-based campaign ensuring compliance with the stated objectives of the project. Coordinates the work of others within the program or project; works with other departments as necessary.
638	Campaign Assistant	Performs a variety of skilled administrative and clerical duties directly related to issue-based campaign management activities. These include maintaining databases, preparing routine correspondence, providing customer service to clients; and assisting and participating in program events.

**Media/Journalism Positions**

642	Editor in Chief	Has primary responsibility for the development and production of the organization's media publications, including the maintenance and efficient functioning of the production systems. Responsible for the conceptualization of content, development of editorial calendar, development of story ideas, preparing stories for publication, obtaining graphic content, supervising copy editing and proofreading.
645	Digital Editor	Develops the strategy, production, and presentation of content for organization's media publication(s). Participates in the creation and presentation of content, which may encompass print, digital, video, and audio. Produces original content for publication through reporting, as directed by the Editor in Chief. Participates in discussions about the future of the production and dissemination of editorial content for the organization as a whole.
650	Media Producer	Creates a wide range of video productions. Responsible for filming, editing, and generally assisting with production management of video products for all departments. Works with the media lab's content management system to ensure effective tracking, and metadata creation to make media assets easily accessible.

**Medical & Clinic Services Positions**

702	Director, Medical Services	Provides leadership and oversight to an organization's medical and health service programs; provides direction, consultation and support to medical practitioners; oversees the quality assurance program; ensures compliance with medical risk management and health care related regulations and policies; develops and implements in-service training programs for clinical programs and services; develops policies and protocols to ensure quality client/patient services and care; may provide direct patient care (e.g. conduct physical examination, determine course of treatment, provide appropriate treatment, document patient files). Participates as a member of the senior management team in the development and implementation of organization-wide policies and programs that will contribute to its overall success. Requires State of California licensure as a Medical Doctor.
704	Clinic Director	Provides direction and supervision of the day-to-day activities of the clinic's medical programs; manages, implements and monitors the quality assurance programs; develops and implements programs to retain volunteers and clinical staff; implements credentialing, re-credentialing and in-service training programs; assists in long-term and short-term planning.
706	Physician, Family/General Practice	Provides primary care to clinic outpatients including physical examinations, making diagnoses, determining course of treatment, providing/supervising appropriate treatment, prescribing medications, and documenting patient files. Participates in and supports quality assurance programs; supervises patient care professionals, technicians and other staff. Requires licensure by the State of California as a Medical Doctor. Note: Report physicians with specialty practices in internal medicine, obstetrics & gynecology, pediatrics, or other specialty in job codes 707, 708, 709 and 710 (below).
707	Physician, Internal Medicine	See job #706 above for description.
708	Physician, Obstetrics & Gynecology	See job #706 above for description.
709	Physician, Pediatrics	See job #706 above for description.
710	Physician, Other Specialty	See job #706 above for description.
712	Director of Nursing	Manages patient care services; ensures high quality of nursing care and compliance with clinic policies, government regulations and accreditation standards; supervises/utilizes professional, technical and support nursing staff; oversees development and implementation of patient care goals and objectives. Position typically requires a current California Registered Nurse' license, and a bachelor's or master's degree in a related discipline.
714	Registered Nurse	Assesses patient's condition; plans and provides professional nursing care to clinic patients; performs medical examinations; evaluates and documents progress; provides health care instruction to patients; may dispense and administer medications; may provide leadership within area of expertise and/or direct supervision to para-professionals and support staff. Position requires a current California Registered Nurse's license.
716	Nurse Practitioner	Provides primary care to clinic patients including taking histories; performing physical examinations; conducting laboratory tests; prescribing medications; diagnosing and determining/providing appropriate treatment for common illnesses and injuries. Performs duties independently within the scope and limitations of licensure. Position requires a master's degree in nursing and advanced education in the primary care of patients.

## Medical & Clinic Services Positions

718	Physician's Assistant	Under the direct supervision of a physician with a Physician's Assistant Supervisory license, provides primary care to clinic patients including taking histories and performing routine physicals, diagnosing and treating common illnesses and injuries. Position requires California licensure as a Physician's Assistant.
720	Licensed Vocational Nurse	Interviews patients and documents patient histories; assists physicians in examinations; provides treatment in accordance with physician's instructions; administers medications; draws blood; provides health care instruction to patients. Requires licensure by the State of California as a Licensed Vocational Nurse.
721	Licensed Psychiatric Technician	Working as a member of a medical team, provides therapeutic care to clients. Assists with daily activities, observes and notes behavior, gives medication under the supervision of medical professionals. Requires licensure by the State of California as a Licensed Psychiatric Technician.
722	Medical Assistant, Certified	Meets with patient to take history, check and record vital signs; ensures physician or nurse has needed supplies, instruments and equipment; sterilizes/cleans equipment; prepares/sets-up treatment rooms; ensures treatment rooms are maintained in a clean and orderly manner; assists physicians and nurses in providing treatment. Requires technical school certification as a medical assistant or equivalent working experience. Must be certified through an accredited program.
723	Medical Assistant, Non-Certified	Meets with patient to take history, check and record vital signs; ensures physician or nurse has needed supplies, instruments and equipment; sterilizes/cleans equipment; prepares/sets-up treatment rooms; ensures treatment rooms are maintained in a clean and orderly manner; assists physicians and nurses in providing treatment.

820	Program Assistant, Other	Performs a variety of skilled administrative and clerical duties directly related to program management activities. These include maintaining databases, preparing routine correspondence, providing customer service to clients; and assisting and participating in program events.

**Social Services & Mental Health Positions**

853	Program Director/Administrator, Social Services/Mental Health	Provides overall management and direction to one or more large social service or mental health programs including management of staff, developing/controlling the budget, developing/implementing policies and procedures, participating in obtaining funds/grants, coordinating/integrating program with others in the organization. Typically, this position reports to the Executive Director/Chief Executive Officer or Chief Programs Officer and directly or indirectly manages a minimum of ten staff. Report smaller programs in job #856 below.
856	Program Manager/Administrator, Social Services/Mental Health	Provides overall management and supervision to one (or two) social service or mental health program(s) including supervision of staff, developing/controlling the budget, developing/implementing policies and procedures, participating in obtaining funds/grants, coordinating/integrating program with others in the organization. Typically, this position directly or indirectly manages fewer than ten staff. Report larger programs in job #853 above.
859	Program Coordinator, Social Services/Mental Health	Assumes responsibility for the implementation of a single social services or mental health program ensuring compliance with the stated objectives of the project. Coordinates the work of others within the program or project; works with other departments as necessary.
862	Program Assistant, Social Services/Mental Health	Performs a variety of skilled administrative and clerical duties directly related to program management activities. These include maintaining databases, preparing routine correspondence, providing customer service to clients, assisting and participating in program events.
865	Psychiatrist	Provides primary psychiatric assessment and care to clients of the organization including comprehensive examinations, making diagnoses, determining course of treatment, providing/supervising appropriate treatment, prescribing medications, documenting patient files. Provides consultation and supervision to psychiatric/social service professionals, technicians and other staff. Requires licensure by the State of California as a Medical Doctor and board certification in psychiatry.
867	Clinical Supervisor	Supervises clinical mental health staff who are in the process of acquiring their professional licenses, as required by licensing boards. Provides regular supervision of trainees both individually and in groups. Oversees trainee client record-keeping of client cases. Evaluates trainees as required by their academic institutions. Conducts assessment interviews of new clients and participates in the process of assigning new clients to trainees. Meets directly with trainees' clients as needed. This position requires a Master's degree or PhD, licensing in the appropriate discipline, and several years of work experience while licensed.
868	Licensed Clinical Social Worker	Evaluates needs of clients and develops treatment plan in coordination with others; implements counseling and mental health services in accordance with treatment plans; provides individual, marital, group and family psychotherapy; provides drug and/or alcohol counseling services; may develop and implement specialized therapy programs; maintains accurate and complete client records. Requires California State licensure (LCSW).
871	Psychiatric Social Worker	Provides counseling to clients with a variety of psychological and psychosocial problems; performs intake assessments, determines clinical needs and provides information and referral services as appropriate. Maintains accurate and complete client records. Requires California State licensure as a Psychiatric Social Worker.
874	Psychologist	Provides professional, clinical psychological services, such as assessments, biofeedback therapies, group and individual therapy, crisis intervention, consulting and educational workshops and programs. Provides consultation to other counseling and technical staff. Requires a Ph.D. in clinical psychology and valid California license in psychology.

**Social Services & Mental Health Positions**

875	Chaplain/Clergy	Provides pastoral care and ministering to the spiritual needs of individuals, including the sick, bereaved, and troubled. Organizes and leads regular and special religious services, provides and supervises religious education, leads individuals in prayer, administers sacraments.
876	Behavior Analyst	Uses principles of applied behavior analysis to address the behavioral needs of organization's clients. This includes developing and implementing individual behavioral support plans to build the skills of clients and their family members. Works with program staff to develop and monitor evidence-based individual treatment plans for clients. Conducts functional assessments of challenging behaviors. Collects data and maintains comprehensive records on client progress. Serves as trainer for behavioral safety training throughout the organization. May make home visits to clients as well as working on premises of organization. Requires Master's degree and BCBA (Board Certified Behavior Analyst) credential.
877	Therapeutic Counselor, MFCC/MFT	Provides individual and/or group counseling to assist clients in achieving more effective personal, educational, vocational development and adjustment. Provides safe, supportive environment for organization's clients. Maintains observation and progress records. Provides crisis intervention and conflict resolution services. Requires certification as a Marriage and Family Counselor.
878	Clinician (Pre-license MFTI/ACSW)	Responsible for providing therapeutic services to clients individually and in groups including assessing clients' needs, developing and helping clients implement treatment plans, providing crisis intervention, case-management and advocacy for clients. Has completed a Master's degree in psychology or closely related behavioral science field and is registered as an intern (MFTI or ACSW) with the California Board of Behavioral Sciences.
879	Case Manager, Master Level	Counsels and aids individuals and families requiring social service organization assistance. Interviews and evaluates applicants for services, formulates and implements treatment plan of action and goals; assists applicants in applying for and obtaining social and other services. Requires a MSW degree. Positions not requiring a MSW degree should be reported in job #880. (Case Managers working in a medical setting are reported in the Case Manager, Medical position in the Medical & Clinic Services section.)
880	Case Manager	Counsels and aids individuals and families requiring social service organization assistance. Interviews and evaluates applicants for services, formulates and implements treatment plan of action and goals; assists applicants in applying for and obtaining social and other services. Most Case Manager positions require a bachelor's degree in psychology or other behavioral science. Report positions requiring a MSW in job #879. (Case Managers working in a medical setting are reported in the Case Manager, Medical position in the Medical & Clinic Services section.)
882	Counselor, Master Level	Responsible for providing a safe and supportive environment for organization's clientele. Adheres to laws regarding confidentiality and reporting requirements. Maintains observation and progress records as needed. Provides crisis intervention and/or conflict resolution to individuals and groups. Requires a Master degree. Positions not requiring a Master degree should be reported in job #883.
883	Counselor	Responsible for providing a safe and supportive environment for organization's clientele. Adheres to laws regarding confidentiality and reporting requirements. Maintains observation and progress records as needed. Provides crisis intervention and/or conflict resolution to individuals and groups.
884	Substance Abuse Counselor	Responsible for providing a safe and supportive environment for organization's clientele in the area of substance abuse. Facilitates treatment groups, conducts intake and provides individual care management in the area of substance abuse. Adheres to laws regarding confidentiality and reporting requirements. Maintains observation and progress records as needed. Requires state certification as an Alcohol Drug Counselor.
885	Family Advocate	Promotes effectiveness of program services for clients by acting as liaison between program site and home. Communicates with program staff and family members with respect to goals, concerns and progress. Promotes family involvement through home visits, phone calls or written communication. Maintains program participant files. Provides referrals for community resources as needed.
886	Eligibility Specialist	Interviews clients/prospective clients to determine their eligibility for a wide range of social services. Gathers and verifies information. Assists clients to complete application forms for government and other social services and submits for approval. (Eligibility Specialists working in housing eligibility programs are reported under the Occupancy Specialist position in Housing/Shelter section.)
887	Intake Coordinator	Meets with possible client/parents/guardians for entrance into organization's clinical program. Assesses suitability of program for individual client. Explains policies, procedures and fees. Completes intake documentation to register a new case into the program. Interacts with any relevant government agencies. Facilitates the assignment of new case to organization's clinical staff. Maintains clinical forms, revising as necessary.

## Social Services & Mental Health Positions

888	Resource & Referral Counselor	Provides resource and referral counseling to clients with respect to social services and educational programs. Develops and maintains relationships with community organizations to provide off-site referrals. Plans and hosts outreach events. Maintains documentation, runs reports related to services. Collaborates with staff in other departments to further organization's goals. May provide technical assistance to service providers.
889	Senior or Adult Program Assistant	Provides support services to adults or senior clients in residence or day programs. Duties include any or all of the following: provides training and assistance with personal skills and care such as hygiene, clothing care, mobility, taking medicines, managing money, meal preparation, household maintenance, etc. Assists adults with transportation, making and meeting medical and other appointments, community participation, communication, meals, etc.
890	Children or Youth Program Assistant	Provides support services to children or youth in residence or day programs. Duties include any or all of the following: provides training and assistance with personal and communication skills. Report jobs exclusively involved with education and/or recreation at job numbers 259-277.
891	Personal Attendant/Home Health Care Worker	Provides personal assistance (i.e. cooking, shopping, housekeeping) and care (i.e. bathing, grooming, feeding, dressing) to elderly and people with disabilities in their homes.
892	Direct Care Counselor	Provides personal assistance (i.e. cooking, shopping, housekeeping) and care (i.e. bathing, grooming, feeding, dressing) to elderly and people with disabilities in an residential program or group home.
893	Rehabilitation Specialist	Provides direct, in-home services to seriously emotionally disturbed clients and their families. Rehabilitative services are provided one-to-one or in a group, in accordance with a treatment plan. Services are designed to enhance the client's positive development, impulse control and skills and competency development. Provides family members with therapeutic techniques to manage client's behavior through family education and resource linkages in the community. Requires an Associate's degree or higher and several years of related experience.
894	Behavior Therapist	Provides individualized intensive behavior therapy based on the science of Applied Behavior Analysis (ABA) to children 18 months and older in home, school, clinic, and/or community settings. Works in a highly collaborative environment under the direction of a Board Certified Behavior Analyst and is responsible for implementing individualized student behavior plans that typically focus on improving receptive and expressive language skills, social behavior, and adaptive behavior.
895	Peer Counselor/Peer Support Group Facilitator	Under supervision, facilitates support groups for a wide variety of program clients. Develops supportive relationships with peer clients using active listening and open dialogue. Serves as a role model and empowers peers to advocate for themselves, resolve problems, develop practical coping skills and plan for their futures.

**Volunteer, Membership & Marketing**

905	Volunteer Director	Recruits, trains and coordinates the activities of the organization's volunteers. Maintains volunteer database. Nurtures volunteers to improve their connection to the organization. Identifies work throughout the organization that can be accomplished by volunteers and promotes their services. Recognizes volunteer service on a regular basis, both formally and informally. Identifies leaders among the volunteers and recruits them for additional responsibilities.
906	Volunteer Coordinator	Responsible for recruiting new volunteers, training and coordinating the organization's volunteer staff. Provides administrative support to program.
910	Communications Director	Acts as spokesperson for the organization within the community, to government, prospective funders and others. Markets and promotes the organization's goals and objectives in order to develop grass-roots support within the community. Coordinates media and public relations activities, and supervises public relations staff. May report to the Executive Director/CEO, or in the case of larger organizations, to an executive-level communications employee (see job #020).
911	Communications Manager	Under general supervision, speaks for the organization within the community, to government, prospective funders and others. Designs and implements communications strategy for some aspect(s) of the organization's programs or services. Establishes procedures for evaluating results. May supervise supporting communications staff.
915	Public Relations Manager	Plans and produces print and other advertising programs; develops and implements promotional, publicity and marketing programs; represents the organization to the community, government and media to publicize its programs and needs; seeks and develops opportunities to enhance the image of the organization in the community. Develops public relations budget and controls costs to approved budgets.
916	Content Marketing Manager	Responsible for sourcing, writing, producing and distributing content for online and/or offline marketing needs. Uses written, multimedia and video storytelling to create innovative and engaging content in support of the organization's marketing goals. Contributes to content marketing initiatives, coordinating with communications and fund development departments to develop materials and presentations. May manage organization's presence on social media platforms.
917	Marketing Coordinator	Performs a variety of marketing-related tasks under general supervision, including development of advertising materials, direct mail campaigns and events. Prepares proposals, presentations and reports.
918	Social Media Coordinator	Develops and implements a social media strategy for the organization. Researches social media outlets that are conducive to the organization's program and service goals. Oversees blogs, podcasts, and other online communication, including fundraising, marketing and advocacy efforts.
920	Graphic Artist	Uses desktop publishing and related software/hardware to design and develop attractive formats supportive of the organization's mission for all printed materials including stationery, marketing brochures, fundraising materials, grant applications, annual reports, newsletters, posters, advertisements, packaging, etc. May coordinate production of finished products with printers/publishers. May also develop and illustrate materials with other media (e.g. drawings, photographs, paintings).
921	Writer/Editor	Writes and edits internal and external materials, including printed and web materials, speeches, opinion pieces, essays, issue papers, background documents, conference materials, and other publications. For grant writers, please see positions #215 and #216 in Development section. Report positions involved with writing and/or editing for an organization's regular media publications in the Media/Journalism position group.
925	Membership Director or Manager	Develops and implements programs to attract and retain members of the organization; manages the database; oversees regular communications to members including newsletter, invitations to events and activities, and solicitations; ensures members' inquiries and problems are responded to promptly; researches and develops new methods to increase membership.
930	Membership Assistant	Performs a variety of skilled administrative and clerical duties directly related to membership activities. These include maintaining databases, preparing routine correspondence, developing/sending mass mailings, assisting and participating in special events for members, developing effective working relationships with members to nurture their connection to the organization.
931	Customer Service Representative	Following guidelines and procedures, performs office support duties which involve providing information to the public, receiving payments, addressing customer questions, preparing and maintaining records.
935	Community Outreach Coordinator	Responsible for connecting people in the broader community to the organization's programs. Plans and represents the organization at community events and other communication opportunities. Creates outreach materials for distribution to the organization's target population. Develops and maintains relationships with collaborative partners. May oversee organization's community engagement budget.
